

Disclaimer

Obligate AG is a technology services provider that operates the “Obligate” platform and an underlying infrastructure based on distributed ledger and blockchain technology. “Platform” and “Infrastructure” enable customers to issue, accept, acquire, transfer, negotiate, and settle electronic debt instruments on public blockchain infrastructure. They are accessible to registered and approved customers at www.obligate.com (“Website”).

Access to and use of the Website, Platform, and Infrastructure inherently entail various risks, including, but not limited to, the potential for asset loss. Prior to engagement, a thorough review of our comprehensive documentation is advised. The Platform and Infrastructure are provided on an "as is" basis, and their access and use are undertaken entirely at your own risk. We expressly disclaim any and all representations or warranties, whether explicit or implied, pertaining to the Website, Platform, and Infrastructure. Access and use of the Platform and Infrastructure are subject to the “General Terms of Use”, as amended from time to time.

The information presented on the Website and Platform does not constitute an offer to purchase or sell, nor a solicitation of an offer to purchase or sell, any instruments in any jurisdiction where such an offer, solicitation, or sale would be prohibited, unlawful, or contrary to the prevailing laws, prior to the necessary registration or qualification under the securities laws and regulations of that jurisdiction. It is strongly recommended that independent legal and financial counsel be sought before initiating any action or making any decision in connection with the information contained on the Website and and Platform.
